January 1, 2012

Dear Elmwood, Prairie Green and Kuehn Park golfer:

What a strange end to the 2011 season, with great golfing weather all through the Christmas holiday season. And now it appears it may extend at least in to early January! It is great seeing everyone out playing at a time where we are normally bundled up and shoveling snow, especially after the last couple of winters.

There is still plenty of time to take advantage of great early buy specials on your 2012 passes. For those purchasing a SEASON PASS (Elmwood, All City, Kuehn Park/East 9, and golf car passes), you will save 10% if you purchase your pass February 10, 2012. If you are purchasing a PUNCH PASS, you will receive an additional 10% in green fee and golf car credit if you buy through February 10.

Another exciting change in our programs is a greatly reduced rate for our Young Adult passes, **starting as low as \$139.50**. We recognize the need to keep high interest in the game and rates affordable among young adults. With these lower rates, young adults will be able to continue to play at very affordable rates as they head off to college and/or enter the work force. Parents, if you are looking for a great way to keep the young adult in your life playing golf, you should consider giving them a Young Adult season pass!

To help you decide what pass is best for you, please look at the chart that explains the difference between the passes as well as information on how many rounds you can expect to get with each level of punch pass, with or without a cart. It also shows how many rounds you have to play to break even on your season pass. As always, you can call us at Elmwood (367-7092) or email golf@dakotagolf.com if you have any questions or need help determining which pass is best for you.

We have enclosed the universal application form for all of our seasonal programs. The Elmwood clubhouse will be open weekdays from 9 AM to 4 PM or you can purchase your pass online at <http://www.dakotagolf.com/passes>.

Looking ahead to 2012, you will see some big changes to the clubhouse facilities at Prairie Green and Kuehn Park. At Prairie Green, construction on a new clubhouse facility will begin in the late summer. It will be located north of the current clubhouse and we will be able to continue to use the current clubhouse through the end of the season. At that time the clubhouse will be moved to Kuehn Park to replace the current clubhouse. Construction will continue through the winter and the new Prairie Green clubhouse is scheduled to be completed in time for opening day in 2013.

We continue to see growth in our junior golf and youth development program, The First Tee of South Dakota. If you are interested in volunteering to help with The First Tee, contact Julie or Kelli at 367-7092 ext. 109 or email them at thefirstteesouthdakota@yahoo.com. You don't need to be an expert golfer to be able to help with The First Tee.

For those already registered, we hope that you enjoy utilizing our online tee time service and other features on our website at www.dakotagolf.com. If you have not yet signed up for online tee times, please email us at golf@dakotagolf.com and we will send you the information you need to get started. Also, when you purchase your pass, please be sure to write in your e-mail address. We will keep your email address in strict confidence.

Be sure to call us if you have any questions about our 2012 programs and let us know what we can do to make your golf more enjoyable at your courses. Thanks again and we hope to see you soon.

SIOUX FALLS MUNICIPAL GOLF ADVISORY BOARD

Greetings from the Sioux Falls Municipal Golf Advisory Board. Once again, we were blessed with a season of great golf on our three municipal courses in Sioux Falls. The enhancements over the past several years have made our golfing experience an even greater bargain as we still enjoy the most reasonable rates in the area.

We are excited that the construction of the clubhouse at Prairie Green is on track for 2013. As the design and construction gets underway, this will continue to be of highest priority to make our golfing environment even better.

As always, this board is actively involved in reviewing the capital improvements plans, rate increases, Dakota Golf operational plans and other special items that may come up during the year. We meet several times during the year and are pleased with our relationship with the Sioux Falls Parks Department. We were formed in 2000 and are now actively seeking new members for the Board. Please contact Tom Jansa and the staff or any of us on the Golf Advisory Board if you are interested.

Remember - spring is getting closer every day!

ELMWOOD / PRAIRIE GREEN / KUEHN PARK SEASON PASS BREAK-EVEN POINTS - Through 2/10/2012

For those considering a season pass, here are the break even numbers for each course and type of pass. If your level of play is above these levels, the season pass is always your best deal compared to daily fees. For those close to or slightly over the break-even point, a punch pass could be a better option. Unless noted, the break-even numbers are figured as 18 hole equivalents, with 9 hole rounds counting as 1/2 of a round.
